Introduction to Primary Colors

Materials Needed:

- Paper plates cut in half with 3 equal parts marked with a sharpie
- Crayons or color pencils (only primary colors: Red, yellow, blue)

Lesson Description:

1. Guide will introduce 3 primary colors
2. Guide will demonstrate and color each section of the plate using one color
3. This activity can be placed on a tray as “shelf work” as something that the child can come back and visit again.
